Out And About: Tradeshows

In-Trend's Top Pick:

Indian skincare and wellness brand, Anita's Aromatics, is expanding into the ampoule x mesofacial space with an exciting new product launch.

Showing the creative and innovative potential of K-Beauty's influence on Indian product, the ampoules fuse Indian traditional ingredients with Korean technique to target local skin concerns such as Acne, Radiance & Ageing.

In-Trend Tries Out:

One of our Senior Beauty Analysts, Venetia Kronsten, tries out the Lightweight LED Mask by Bungalow Beauty.
